

Redmi Note 14 Pro

-  **200MP pro-grade AI camera system**
-  **5500mAh battery with 45W turbo charging**
-  **MediaTek Helio G100-Ultra**
-  **Corning® Gorilla® Glass Victus® 2**
-  **120Hz eye-care display**
-  **Crystal-clear 32MP selfie camera**

Iconic 200MP sensor with large aperture

Capture stunning shots with a powerful 200MP main camera—zoom in, crop, and compose while keeping every detail crisp and clear. Elevate your photos to masterpieces with cutting-edge AI tools. The AI Image Expansion feature effortlessly extends your images beyond their original borders, while AI Erase Pro removes unwanted elements, ensuring a flawless finish to every shot.

All-Star Durability: Built tough, resistant to scratches, drops, water, and dust

Redmi Note 14 Pro is not afraid of dust and water thanks to its flagship-level IP64 certification. The Corning® Gorilla® Glass Victus® 2 on the front offers better protection against scratches through everyday wear and tear. Improved protection and peace of mind against accidental drops thanks to a variety of upgrades to its strength and durability.

Stylish dual-curve design, flagship-level experience

Redmi Note 14 Pro is designed to be modernized, vibrant and optimally comfortable. Its symmetrical camera deco highlights a flagship-like look and feel. MediaTek Helio G100-Ultra offers an exceptionally smooth daily experience, with significantly enhanced scrolling of web pages and app animations. Redmi Note 14 Pro also features massive 5500mAh (typ) and 45W fast charging capabilities, ensuring rapid charging and reliable use.
