

Trinca Bolotas

Herdade do Peso Trinca Bolotas White 2023

PRODUCT DESCRIPTION

Free to roam in the oak forests, where it feeds on acorns, the "Trinca Bolotas" pig - native to Portugal - is the only surviving grazing pig in Europe. The way in which it shapes the landscape and preserves the Mediterranean woodlands of the region is part of Alentejo's heritage. It is also a gastronomic treasure, always present in the local cuisine. Named after this reputable pig, this wine combines two of Alentejo's biggest symbols.

TASTING NOTE

In this blend, Antão Vaz guarantees floral and fruity notes with fat and volume on the palate, while Arinto ensures freshness, structure and acidity for a long and persistent finish.

GRAPE VARIETY

Arinto (40%); Antão Vaz (60%).

INTEGRATED PRODUCTION METHOD

All the grapes used in this wine were produced in accordance with the Sustainable Agriculture Integrated Production guidelines as defined by the International Organisation for Biological and Integrated Control (OILB/IOBC): www.iobc-wprs.org. The rigorous compliance with these practices is certified by an independent organisation, recognized by the Portuguese State.

WINEMAKING

The grapes are harvested at the optimum point to ensure their acidity and freshness. The must is obtained through direct pressing and is then decanted at low temperatures. Fermentation takes place in stainless steel vats at 16°C.

MATURATION

After fermentation, the wine remains on the fine lees for 3 months.

SERVE

Serve directly from the original bottle. Recommended temperature: 9°C to 11°C. Drink within 24 hours of opening.

ENJOY

An extremely versatile wine. It goes well with appetisers, fish, seafood and white meat.
